

“Who is going to save our Church?
Not our Bishops, not our priests and
religious. It is up to the people. You
have the minds, the eyes, the ears to
save the Church.

Your mission is to see that your
priests act like priests, your bishops
like bishops and your religious act
like religious”

(Archbishop Fulton J Sheen)

The Lumen Fidei Institute is an association of Catholic lay people engaged in promoting, defending, teaching and helping one another to live by the Catholic faith.

1. We promote a view of society, history and culture based on traditional Catholic beliefs and morals.
2. We promote Catholic tradition and orthodoxy against modernism in matters theological, liturgical, and moral.
3. We promote the Catholic understanding of marriage and family life including family prayer, especially the family Rosary.
4. We combat moral relativism, secularisation and all forms of cultural Marxism, feminism, new age paganism, abortion, the LGBT movement, and the Islamisation of the West.
5. We promote Western Civilisation and the restoration of Christendom based on faith, marriage, family, patriarchy, hierarchy, and a close collaboration between ecclesial and secular authorities.

What We Do - Some Recent Events

Knock Campaign in Honour of Our Lady

For many years, lay and non-Catholic speakers have been allowed to 'preach' at the annual Novena in Knock during Holy Mass at the time that is reserved for the homily. This is contrary to what the Catholic Church permits. The Lumen Fidei Institute came to Our Lady's defence by organising a letter writing campaign to highlight this abuse of the Sacred Liturgy.

Holy Eucharist Miracles Leaflet

Our first leaflet promotes belief in the Real Presence of Christ in the Eucharist. To date we have had 40,000 of these leaflets printed and are always glad of some help with their distribution.

Protecting Children from the LGBT Agenda

A parishioner contacted us from the Kerry Diocese to highlight the promotion of the LGBT agenda in their parish. We discovered that the Diocesan Youth Services, host weekly LGBT meetings for children so we alerted the Bishop through a letter writing campaign.

Charitable Contributions for Building the Faith

To date we have helped Seminarians in Kazakhstan, had Masses offered for the Holy Souls and made a contribution towards the restoration of the communion rail in Sacred Heart Church in Limerick.
